Passing The Test
Rhys Scott

Gen 22

1. Has anyone felt that they've been through a test of their faith recently?
2. God asks us to love Him first before we love anyone else. What kinds of things can we do to continually develop our relationship with God?
3. Describe what worship means to you?
4. How can we battle doubts when we go through tests?
5. Abraham had to lay down his Son and the promises that went with him. Break into small groups and discuss whether there are things that God is speaking to you about laying down or holding more lightly and pray for one another.
