**Revelation 21: 1-3**

1. Did anything new or different strike you from this passage as a result of Sunday's sermon?
2. We spent a lot of time on Sunday demonstrating that we will have tangible bodies in a physical heaven (Luke 24:39, Acts 1:9, Romans 8:21, Cor 15:36, 49, 51-52, 1 Thess 4:13-18). What difference, if any, does this make in terms of visualizing, or even looking forward to heaven?
3. What is the significance of the two images of the bride and the city (vs2)?
4. Many of us look forward to moving home. What are you most looking forward to when you move in to your new home to live with God? (vs3)
